# "Tis the Season...

# Life Doesn't Stop For The Holidays"

For many, the holidays are the happiest time of the year. It's a time of love, joy and celebration with family and friends. However, all too often, we realize that life does not stop for the holidays. The trials, issues, and problems that you were dealing with before the holidays, often make their presence known during the holidays. This production takes a good look at a family dealing with very real issues during the Holiday Season.

Join us for our first full Christmas production on

Saturday, December 8th @ 6PM.

You don't want to miss it!
